

2018 Utility Leadership Conference

November 7-9 | Music Road Hotel | 303 Henderson Chapel Rd. | Pigeon Forge, TN | (844) 993-9644

As utility district managers and commissioners are charged with the responsibility of overseeing a system's financial and operational well-being, TAUD's Leadership Conference is designed to assist with those challenges. Sessions are heavily focused on how to be an effective leader. Topics emphasize organizational, operational, and ethical responsibilities as a leader of a utility.

All utility district commissioners are mandated by the state to attend training. For those seeking reappointment, 12 hours of training must be completed prior to reappointment. For newly appointed commissioners, 12 hours of training must be completed within the first year of appointment. Once initial training has been completed, commissioners then have three years to attend an additional 12 hours of training in order to obtain the required Continuing Education units.

For more information regarding Commissioner Training, please contact Melanie Sain at (615) 896-9022 or by e-mail at melaniesain@taud.org.
