

The Business of Running a Utility Conference & Exhibit Hall

August 4-6, 2010

Gatlinburg Convention Center- Gatlinburg

This conference offers sessions in two separate tracks pertaining to the industry: Administrative and Technical. Sessions are held to inform participants of recent changes and includes a variety of other topics to assist utilities with day to day operations. In addition to the conference, an exhibit hall provides the participants with the opportunity to see new products and new technology. Who Should Attend the TAUD Business of Running a Utility Conference?

- Managers
