

## Call for Demonstrations at 2019 TAUD Operator Expo:

The 2019 TAUD Operator Expo will be held on May 16, 2019. Each year, in addition to providing information at their booths, approximately 10 exhibitors have the opportunity to present a short demonstration of the products and services they provide to utility operators from across the state. These demonstrations offer vendors a chance to speak to several potential customers at once and present utility professionals with the opportunity to receive continuing education credit for their operator licenses. Due to time constraints, we can only schedule a limited number of these demonstrations. We are now accepting requests to take advantage of this great chance to promote your company.

- Demonstrations should last for approximately 20 minutes and include information that would help water or wastewater operators better perform their duties using your products or services.
- Vendors who held a demonstration in the past should demonstrate a different product or service at the 2019 Expo.
- All demonstrations will be held in the demonstration area. A video projector and PA system will be provided.
- **Only vendors who will be exhibiting at the Expo will be allowed to hold demonstrations.** Submitting this form does not guarantee your company a booth. You must still complete a Vendor Registration form, when available, to ensure your booth space.
- **You must provide a short bio on the speaker.** We are required to submit each demonstration to the operator certification board for approval. We cannot include your demonstration in the application without a bio.
- **The cut off date for scheduling demonstrations is Friday, February 22, 2019. Please reply early to ensure you are included.**

If you would like to schedule a demonstration, please fill out the form below and return it by Friday, February 22, 2019. Vendors will be scheduled on a first-come-first-served basis. Forms can be mailed, faxed or emailed to:

Tennessee Association of Utility Districts  
P.O. Box 2529

Email: [taud@taud.org](mailto:taud@taud.org) or [TonyWyatt@taud.org](mailto:TonyWyatt@taud.org)

**Signing up to hold a demonstration does not register your company to exhibit at the Expo. You must also complete an “Expo Vendor Registration” form, which will be available soon, to secure your space at the Expo.**

We appreciate your efforts in making TAUD’s past Expos a success and look forward to another great event in 2019. For further information contact the TAUD office at 615-896-9022 or call Tony Wyatt at 731-415-9101. You can also email Tony at [tonywyatt@taud.org](mailto:tonywyatt@taud.org).
