

### **CPR/AED Basic First Aid Class** *(one day class)*

This class will train your response staff in standard first aid, new CPR techniques and the use of an automated external defibrillator (AED). The workshop uses National Safety Council materials. Subjects covered include CPR/AED, bleeding and wound care, shock, serious injuries, burns, heat and cold emergencies, and rescuing and moving victims. Course completion cards and certificates will be issued to those who successfully complete the workshop. It is a one day class that begins at 8:30 am and ends at 4:30 pm. The class will provide six hours of continuing education credit toward any water, wastewater, distribution or collection certificate. For additional information contact Brent Ogles at [BrentOgles@taud.org](mailto:BrentOgles@taud.org) or (615) 896-9022.
