

## **TAUD Operator Expo** *(1 day event)*

The TAUD Operator Expo is a fun filled learning experience that includes great food, exhibits from product and service vendors, demonstrations from experts in the utility industry and a chance to talk with other utility professionals from across the state. It is held at the Wilson County Fairgrounds (*James E. Ward Center*) in Lebanon, TN. Throughout the day, demonstrations will be scheduled to provide information on the latest products and services available in the water and wastewater business. The Expo will provide six hours of continuing education credit for any one water treatment, wastewater treatment, distribution or collection certificate. Operators wishing to receive this credit will be required to arrive by 8:30 am, attend three demonstrations approved for the license credited, and attend the final rule update session. The Expo is a great way to learn of new tools to help water, wastewater and natural gas operators do your job better and easier. For additional information, contact Tony Wyatt at [TonyWyatt@taud.org](mailto:TonyWyatt@taud.org) or (731)415-9101 or Brent Ogles at [BrentOgles@taud.org](mailto:BrentOgles@taud.org) or (615)896-9022.
