

Utility Technology Conference

The Utility Technology Conference is designed to help inform you of the latest technologies. Sessions will introduce you to the latest equipment, operational methods, software and hardware. This Conference will provide up to twelve hours of continuing education credit toward any one water treatment, wastewater treatment, collection system or distribution system certificate, or combination of licenses. Engineers can also get an attendance certificate for up to twelve professional development hours. Classes run from 1:00 pm to 4:30 pm on Wednesday, March 17, 8:30 am to 4:30 pm on Thursday, March 18, and 8:30 am until noon on Friday, March 19. For additional information contact John Shadwick at JohnShadwick@taud.org or (615)804-4069 or Brent Ogles at BrentOgles@taud.org or (615)896-9022.
