

Sanitary Surveys for Dummies - Water Treatment (two day class)

The Sanitary Surveys for Dummies – Water Treatment Class is for anyone interested in learning how to organize their utility to make it easier to pass a sanitary survey. You will learn how to:

- Break down the sanitary survey requirements and responsibilities;
- Organize your staff to ease compliance;
- Assign those requirements and responsibilities to appropriate staff;
- Monitor your system to ensure preparation for the sanitary survey is complete.

Attendees will receive a paper and digital copy of *Sanitary Survey for Dummies Handbook* by Mark Bamberg. It is a two day class and will provide up to twelve hours of continuing education credit for any water treatment license. Class starts at 8:30 am and ends at 4:00 pm each day. For additional information, contact John Shadwick at JohnShadwick@taud.org or (615)804-4069 or Brent Ogles at BrentOgles@taud.org or (615)896-9022. There are no prerequisites for this course.
