OE: None

Class Date/ Location:

- 5/31 Lenoir City
- 6/8 Murfreesboro

Lenoir City
7698 Creekwood Park Blvd.

Murfreesboro
840 Commercial Ct.

TN Department of Transportation (TDOT) requires that all contractors working on state right-of-ways, including utility contractors and municipalities, shall conform to the current version of the Manual on Uniform Traffic Control Devices (MUTCD). The MUTCD states that all workers involved in flagging operations on a public road or highway must be properly trained in the correct procedures and safety measures as outlined in the MUTCD. This class, designed in accordance with the MUTCD and Federal Highway Administration (FHWA), provides this training complying with TDOT's mandate. Not only are these safety measures important for worker and motorist safety, but to also protect utility company and municipality liability. The class materials and curriculum are designed by American Traffic Safety Services Association (ATSSA) and are now valid for four years.

Cost: \$125

Time: 8:00 am -12:00 pm

Only the first 26 registrants will be accepted. Those registering after the maximum has been reached will be scheduled for an overflow class that day from 1:00pm- 5:00pm
