# Water Quality After the Meter & Customer Complaints

1 day

CE: 6 hrs WT or DS

OE: None

"Why is there a blue/green tint to my water?" "Why is there a white film in my pan when I boil water?" "Why does my water smell like cat urine?" "There are frogs in my toilet!" Ever encounter any of these complaints? This class will address water quality complaints, common causes and how to properly and effectively handle communications with your customers. This class will be beneficial to the office staff, as well as, the field staff. Attendees can view lab samples and examples from past problems/incidents that show common culprits lurking in the lines and diagnostic tools that aid in resolving issues. This is an open discussion class and students are encouraged to participate and share instances.
