Successful completion of this workshop will earn you a cross-connection certificate for "Testing and Evaluation of Backflow Prevention Assemblies." Certificate expires every three years from the date of certification. A written test will be conducted, and you must score 70% or greater to receive a certificate. Additionally, you must successfully demonstrate that you can test a reduced pressure principle assembly and a double check valve assembly in accordance with recognized TN Department of Environment and Conservation procedures without written or verbal assistance. Due to space restraints and subject material, we can only accept the first 21 registrants. *We recommend that you register early!*

Cost: \$320 TAUD Member
\$340 Non-Member

Time: 8:30 am -4:00 pm

What topics will be covered?

- Ordinances & Policies
